Crashed after take-off from RAF Wattisham. Hit the roof of a house in Stowmarket. Cockpit canopy had been opened at the holding point but not secured properly before take-off, once airborne at approx 3,000ft the canopy opened. Pilot ejected safely. Part of a detachment at Wattisham due to bad weather at Valley. **The wings & nose were later noted at a scrapyard at Faygate in early 1988.**
