### Monday 20<sup>th</sup> January 2003

6 Protestors from 'Cymdeithas y Cymod' tried to access the Base and approached the visiting Jaguars but were thwarted by the RAF Police. They later dispersed after an hour or so.

[Glyn Jones]

The Sea Kings flew underslung loads to a container ship off Point Lynas.

They used 'AVENGER1-4' as callsigns whilst flying the loads.

They all departed 30.1 as 'NAVY825 SECTION' & 'NAVYWY/WU'

#### Monday 24<sup>th</sup> March 2003

Airfield was closed for 4hrs due to a party of protestors chaining themselves to one of the RHAG cables. They apparently entered the airfield from the 14 crash gate and remained undetected until too late.

|                                                                                                                                                                                                                                                                                                                                                                                                                                  |   |         |      |      |

Whilst carrying out rollers at Mona on Runway 22 it suffered a technical problem and ended

up in the arrestor barrier but short of the old A5 road. Very little damage and the aircraft was recovered back to Valley later in the week.

Scrambled for an aircraft which had made a wheels up landing at Blackpool Airport.

At 15:30 'CLIFTON5' was vectored close to the Cameron R-90 Balloon G-BYZX which was on its last leg having crossed the Atlantic, onboard was the adventurer David Hempleton-Adams who had taken off from Nova Scotia, Canada. The aircraft stayed with the balloon as it passed the north coast of Anglesey and into Liverpool Bay, it eventually landed near

Blackpool having been in the air for 83hrs 14mins 35secs.
