#### SUMMARY

In April 2007 Runway 14/32 after a change in magnetic deviation became Runway 13/31.

A Scottish Airline 'Highland Airways' was chosen to start a North-South Wales shuttle service beginning in May 2007. The plans for up to 10 flights a week were approved by Anglesey Councillors in June 2006 with a maximum of 36 passengers in each direction and a fee of up to £50. The flights would be subsidised by the Welsh Assembly Government. There were counter arguments by 'Earth Cymru' for the service to be by rail, but the Air service started 8<sup>th</sup> May 2007.

The Sea Kings of 203[R]Sqn were due to depart 10.2007 but this was delayed until 2008.

Hawk display pilot: F/L Michael Child 208[R]Sqn.
