FR. TOM LOOMIS  
PASTOR

Our celebration of our Catholic School week was full of hope and life. Being able to gather on Saturday night for Mass and then to share a meal and bingo afterwards was a fun time to gather as a community and be thankful for our parishes and school. Thank you to everyone for celebrating with us.

Please pray for our young people who will be celebrating the Sacrament of Reconciliation on Wednesday at 6:30 at St. Felix church. If you are able to join us that evening, I encourage you to do so. It is a great way to support our families who are passing their faith in Jesus and of this community onto their children. By our presence with them, as they celebrate the forgiveness of sins for the first time, we remind them that they are not the only ones who sin, but we are sinners also and in need of the love and forgiveness only Jesus can offer.

We gather together on this Fourth Sunday in Ordinary Time to celebrate the Eucharist and hear from the Gospel of Matthew 5:1-12. We hear what are called the Beatitudes. The word means blessedness or joy. It comes from Jesus preaching the Sermon on the Mount. He preaches a very radical world, and I mean that in the most life-giving way. To understand this Gospel as a way of life take a look at our first reading today from Zephaniah to realize the faith has been seen in this way from the beginning. The most satisfying life is one where we put others first.

## Kindergarten Readiness-Mrs. Baab

If you were to come to my home, you would see a note card on my refrigerator that states, “Remember your Why”. As I approach each new school year I always question my “Why”. Why do I continue to carry out my mission to serve children at St. Felix Catholic School? My answer is quite simple, lifelong relationships made between my students and their families. There is nothing more rewarding than witnessing these kids grow in their faith and their love of learning.

The KR classroom is different everyday, but we strive to include creativity, independence, and academics in a way that students can learn through play as well as table time. We engage in creative activities such as music, art, STEM, calendar, centers and phy ed. Incorporating learning in all these areas set my students up to a fun approach to learning. I have a group of very curious little learners this year. They are kind, smart, helpful and hilarious all wrapped up into 4 ft. high little bodies. Their curiosity has them striving while learning spiritually, emotionally, socially and academically.

We couldn't do this without the support of our church community so thank you all very much for your continued support of St. Felix. You are the "Why" to our school.

**Thank you** for your generous donations to the “Sunshine Committee”.

Because of your kindness we were able to set up a snack cart for faculty and staff to enjoy on hectic days.

Mrs. Baab and  
Mrs. Schumacher
