DEACON JOHN HUST

“If you choose you can keep the Commandments, they will save you; if you trust in God, you too shall live.”

This scripture reading from Sirach is very insightful, it reminds us about God and His plan for our lives. God created everything out of nothing, He created us out of Love for a specific purpose. He gave us commands (Laws) to guide us on our earthly journey. These commands are to help us become the best version of ourselves and grow in love for God and neighbor. The ten commandments were given to Moses out of love to help the Israelites grow in holiness and virtue. They were not given to limit or restrict the people of Israel. Do you believe in God and that He cares about you and your future? When we say yes to that question, we begin to see the value of the commandments and live for Him.

Keeping the commandments happens because of loving God and not fear of punishment. Following God’s commandments and church teachings are choices for us which lead to life and salvation. This choice is based on our response to God’s unending love.

In the Gospel of Matthew Jesus says, “Do not think I have come to abolish the Law or the prophets. I have come not to abolish but fulfill it.” Jesus comes to show us how to live in the presence of the Father’s love and be obedient to the Father’s will. As we begin Lent in a few days may we pray, fast and give alms seeking to follow God’s commands in our lives. Blessings on your Lenten journey.

ST. FELIX CATHOLIC SCHOOL ERIC SONNEK, PRINCIPAL

The past couple of weeks have been full of learning, fun, and memorable experiences for our students!

Our second graders have been hard at work in math, practicing how to add two- and three-digit numbers. They have been building their skills step by step, learning new strategies, and gaining confidence as they tackle larger numbers. It’s wonderful to see their focus and determination as they grow in their understanding.

During Catholic Schools Week, students had the opportunity to enjoy some special activities outside the classroom. One exciting adventure was a ski trip to Coffee Mill. Students bundled up and hit the slopes, it was a day filled with laughter, encouragement, and plenty of fresh air.

Another memorable experience during Catholic Schools Week was ice fishing at the local marina. Students enjoyed spending time outdoors and learning about this winter tradition.

We are grateful for these opportunities that allow our students to grow not only academically, but also socially and spiritually.
