Blest Art, Olive Wood sales from the Holy Land will be here next weekend to help support Christians who are suffering horribly in the Holy Land. For many Christians, in the Holy Land, selling the olive wood carvings is their only source of income and with tourism at a standstill we have groups like Blest Art going to communities to help support those Christians in the Holy Land by selling their carvings. I have come to admire these folks who really dedicate much of their time to support those in the Holy Land. We welcome them into our communities and will continue to hold them in prayers.

This weekend in the church we celebrate the Eleventh Sunday in Ordinary Time. Our gospel is from Matt. 9:36-10:8. We hear Jesus call the disciples by name today. He empowers them to tend to the people like a good shepherd would. Jesus gives them authority of over spirits and the ability to heal (in the name of Jesus). Jesus sends them out to preach to the whole world, Jew and Gentile. Has Jesus sent you (us) out to gather the lost sheep? What does that look like in your life? What could it look like in your life?

We thank all of them for creating a safe and nurturing environment where our children grow, learn and have fun during the summer months. Kindness, respect, and care are the expectations of each day.

Students walk to softball practice, enjoy the pool each Tuesday and Thursday, attend swimming lessons, story time, theme of the week and the public library. Rainy days the students go to the gym to run off bundled up energy.

Please thank those listed above for their hard work, dedication, loyalty and commitment to our students during the summer months. We continue to keep our students and summer program employees in our prayers.
