February 16, 2025

**Guests Attending:** Fr Tom Loomis, pastor of St Felix and Deacon Jordan Danielson of St Paul Seminary

**Prayer:** The club attended a holy hour and Benediction led by Deac David Dose, chaplain from 3:30 pm to 4:30. Potluck followed at St Marys.

**Opening**

**Fr Loomis** and Deacon Danielson were introduced, and both shared their call to the priesthood. (A video recording of their talks is on the St Felix parish web site, under Organizations, Serra Club, February 16, 2025.)

Fr Loomis has been a priest for 32 years. He had relatives who were priests. He grew up on a family farm. He reflected on his childhood memories of these priests. He attended the U of MN/Waseca and played football. Times of silence are important to him spiritually. Father T was his mentor. He found peace at the seminary, after being anxious in the days leading to arrival. He honestly reflected on adjusting to the life as a priest for about 10 years and then found himself living fully the priesthood in the freedom that comes with living the life intended by God.

**Deacon Danielson**, a transitional deacon until his pending ordination in May of 2025, then told his vocation story. He grew up in Dover, MN. He described being a weekend Catholic and remembers his mother praying with him and his brother at bedtime. He attended Dover Eyota and joined band, robotic and Math. In high school, his parents divorced and it "rocked his world". It left him broken and hurt. He had good people around him, in particular the faith formation coordinator for his parish. She helped him reach out with opportunities at the Salvation Army, a Rochester soup kitchen during which he experienced moments of goodness in life. Deep hurt in his teen years eventually lead him to set aside time of personal prayer. He came to point of telling God, he would do whatever He asked of him if he was happy. He then described a vivid dream seeing an elderly priest staring at him. He then attended IHM seminary, and it was tough first year. His prayer life deepened and the Lord helped him through the remaining years.

In closing he thanked the persons in his life that "saw something in him that he did not realize about himself". His ordination is May 30<sup>th</sup>.
