"My involvement with Leadership Medina County started in 2020 as a Signature Class member. Immediately I knew, I was part of a special organization. There is a strong sense of connection, community, and commitment that comes with being a part of a Leadership Medina County program. Over the years, I couldn't help but to become more involved. As the current VP of the Board of Directors and the Fund Development Committee Chair, I am proud to serve Medina County through LMC as we continue to discover, collaborate, and solve problems through the empowered individuals who participate in these programs."

“

JrLMC has helped me in so many ways. I've become more confident, learned to better communicate, and meeting those in the business world has been instrumental in helping me grow. I used those skills when I shadowed a Surgical Oncologist at The Cleveland Clinic which helped me to be selected as an Honoree at the annual Spring Leadership Ball, here in Medina.”
