

By accepting the terms of service you, hereby, acknowledge and agree the ultrasound services and imaging provided at Fetal Photos by Cara are not medical procedures and are not offered as a medical treatment or diagnosis in any manner.

Further, the ultrasound services and imaging are not for the purposes of determining or to be used in the future to determine the health status of the fetus(es) and the undersigned mother or the well-being of the undersigned mother or fetus(es) at this time, during the pregnancy or at the birth of the fetus(es).

Further, the undersigned acknowledges and agrees that the ultrasound services and images are for entertainment purposes only and are not to be used at any time for the purposes of any medical diagnosis, treatment, or care of the fetus(es) or mother.

The undersigned further declares that she is under the care of a qualified physician regarding her pregnancy at the time of the ultrasound services and imaging. The undersigned agrees and acknowledges that under no conditions will Elite Imaging Partners LLC, DBA Fetal Photos by Cara, its staff, agents, or employees, be held liable or accountable for any consequences of any known or unknown medical condition of the mother and the fetus(es) or for failure to diagnose, treat or inform said undersigned of any known or unknown medical conditions, risks or problems regarding the undersigned mother and fetus(es).

If the technician deems it beneficial, and you qualify by being in the recommended gestation for your session choice, the undersigned may be brought back for ONE rescan session at no charge within 10 DAYS of the initial appointment. If, at that time, the position of the fetus(es) impedes the quality of images, all further rescan sessions are at a cost of \$15.00 per session.

Rescan sessions vary in length from 5 to 15 minutes. As we provide a service, not a product, refunds will not be granted for any circumstances listed above or for circumstances out of our control.

If there is documented medical proof, then a refund will be issued minus associated purchase and refund fees.

Under no circumstances will Elite Imaging Partners LLC, DBA Fetal Photos by Cara,, its employees, agents, or staff, be held liable for any injury or damages that may occur to the undersigned or to the fetus(es) as a result of any ultrasounds performed on the undersigned mother by Elite Imaging Partners LLC, DBA Fetal Photos by Cara, its employees, agents, or staff.

Elite Imaging Partners LLC, DBA Fetal Photos by Cara, its employees, agents, or staff attempts to retain backup files of ultrasound images and/or video for you. We are not responsible for damages to Thumb drives once the undersigned leaves the premises or the expiration of a video/picture link. We do offer to provide a copy of images or video onto a thumb drive, if available, for a research fee of \$15.

By accepting the terms of service, the undersigned releases, acquits, holds harmless, and forever discharges Elite Imaging Partners LLC, DBA Fetal Photos by Cara, its staff, agents, and employees, from any and all matters of foreseen or unforeseen claims, demands, damages, actions, or causes of actions by the undersigned individually and/or on the behalf of the fetus(es), resulting from any ultrasound imaging performed at Elite Imaging Partners LLC, DBA Fetal Photos by Cara.
