*It is the policy of our funeral home that private family viewings be conducted no later than 24 hours after death. The deceased will not be embalmed or in a casket. They are dressed, placed on our stretcher and covered with a quilt.

*Our recommendation is to have a long-term plan for the cremated remains of a loved one. This may include burial in a cemetery, scattering, or keeping at home. We must have permission from the authorizing agent to separate cremated remains or give out fingerprint information. We are also not responsible for any damage to cremation products purchased outside the funeral home.
