We understand the death of a family member is a very difficult time, especially financially. We offer many payment options such as cash, check, credit/debit, or an insurance assignment that has been verified by one of our staff members. A deposit of the total cash advance value is required at the time of arrangements which will be applied to the final statement. The balance is due and payable no later than 30 days from the date of arrangements. A late fee of 7% per month will be assessed after the 30 days. Please note that some items may be estimated during the arrangements conference. An adjustment in the form of a credit or charge for the difference will be included in the final statement. Our funeral home provides services at no charge to families who have experienced the death of a child (through age 14). The only charges would be that of any products and cash advance items. Cash advance items include any charges outside of the funeral home such as newspapers, cemeteries, church honorariums, vault companies, crematory charges, death certificates, cremation permits, or specialized transportation. These items will be estimated at time of arrangements and the final statement will reflect any changes.
