3	Approval of Minutes of last meeting	Chair/Sec	2
4	*Review of season up until now.* -The weather has been fantastic and the turnout as been consistently great. -still finding issues regarding the average speed within the groups (i.e, classic riders who are pushing the pace too hard). Members need to be considerate of the average speed within their group. It is important for members to know the route they are taking. A to reiterate that it is a NO DROP RIDE	ALL	2

5	Kit sales & sizing. A few members are finding that the sizing of their kit has been too snug. A to message members who have had problems and find out whether their kit is correct to the ice guide or whether this is a problem with	ALL	20
6	Socials - Summer Bbq number. SAT 22nd. 12 so far but more to come. BYOB. Payments to made to the club directly.	ALL	5
7	Strava club account. Any closer?. As SP is using his personal account to upload the club rides, it will be the obligation of the club to fund his membership so that he can continue to edit the routes and upload the routes to the group chat accordingly. The cost of this will come to: £50. To be reviewed at the end of the season.	ALL	5
8	Weekend rides review: Usually around 5/10. The pacing has been great. Everyone has been riding at the speed of the slowest rider. The routes have been popular with good cafe stops. The WhatsApp Poll works well for members to see who will be heading out.	ALL	10

9	100 miler Well done to SP for organising the whole event. Members enjoyed the route and the weather was great. Turnout of around 28 mixed between SCC and YCC. Another 75 miler in the Autumn to Cheddar Gorge? 'reliability rides': 1x 75 miler in the autumn 1x 50 Miler in the winter 1x 75 miler in early spring. Taking inspiration from Bournemouth wheelers.
