VARSITY COACHING STAFF

HEAD COACH CALEB KING

Caleb King begins his third season as the Ranger's head coach. Coach King began playing football in Cumberland in 4th grade for the Bears. He played up through the youth program, middle school team, and for the Rangers in high school where he graduated in 2011. He went on to play four years of football at Husson University. Growing up in Cumberland, where he continues to live and work, Coach King is extremely proud and excited to lead the Rangers again.

COACH KEN FOWLER

Coach Fowler has been part of Greely Rangers football for as long as anyone can remember. He coached his two sons, Marshall and Jack, from pee-wee through 8th grade. He grew up in Norwalk, CT and played center and linebacker for his high school team. He then attended Colby College where he was a two-year starter at center for the Mules. He currently teaches physics and chemistry at GHS where his wife, Melissa, also works in the guidance department. He is a proud father of four awesome children.

COACH DAVID GALVAN

Coach Galvan enters his second season as an assistant coach. He has been a part of the Greely football program since 2016 starting when his son was in 3rd grade. He is a School Resource Officer in Cape Elizabeth and enjoys working with youth.

COACH SVENN JACOBSON

Svenn Jacobson begins his third season as an assistant on the Rangers' coaching staff. He started his football career in the 3rd grade for the Greely Bears followed by the Colts and finally the Greely Rangers. Coach Jacobson graduated from GHS in 2013. He played a post-grad year at Bridgton Academy and played four years at Framingham State. He played a season of semi-pro football with the Southern Maine Raging Bulls and did a stint with the Seacoast Warhawks.

COACH JEFF JUSTICE

Coach Justice begins his second season as an assistant coach. He spent the previous 2 years helping coach the Greely Middle School team, and has coached football, hockey and baseball from youth to high school levels. Coach Justice played high school football at Cheverus in the late 90's and went on to play college football at Fordham University for 2 years until injuries ended his football career. Coach Justice is very excited to be a part of rebuilding the Greely Football program!

COACH MIKE PIPER

Coach Piper is back for his 8th season with the Greely Rangers. Starting with youth football in Pee Wee through Middle School, he has now coached at all levels throughout the Greely Football system. His concentration has been on player development and fundamentals to help all players improve themselves on the field.

COACH CHRIS TYLL

Coach Tyll joins the Greely Rangers' High School coaching staff full time this season after serving in a limited capacity last year. No stranger to Greely Football, Coach Tyll has coached at the youth and middle school levels for the past 7 seasons and currently serves as the Offensive Coordinator at the middle school level.

Let's Go Rangers!

MEET THE SENIORS

GREELY CLASS OF 2025

DEFENSIVE END ISAIAH AXELSEN

I have been playing football since I was in 2nd grade. I am very excited to be in a new program surrounded by all of the guys. The plan after high school is to go to college and my favorite song is Billie Jean by MJ.

LUCA BIANCHI

For this season, I'm excited to support the fellas on the side line with hopes of going to the state championship. Thank you to my parents and coaches for the great experience they have provided for me over these last three years.

CENTER & NOSE GUARD BRODY GIFFORD

I'm excited to make the most out of my final year of Greely Football, hopefully inspiring the next generation to continue playing the game I've come to love. I plan on going to college for Machine Learning and eventually into a related career. Finally, I'd like to thank all those who encouraged me to join football in the first place.

GUARD & DEFENSIVE TACKLE TOPHER KING

I want to thank all of my coaches, friends, and my parents for supporting me in my senior year of football.

OFFENSIVE LINEMAN NICK LYDEN

This will be my second year ever playing football. I quit soccer after my sophomore year because it's boring and I'm glad to have joined football. I'm excited to make it to the state championship with this team. I want to thank my coaches and parents for being supportive of me and my friends for convincing me to play.

LINEBACKER & RUNNING BACK BEN MCCARRON

I have high hopes for this team this season and I'm hoping to win a state championship, I like to ski and I also play lacrosse, I want to thank my parents and coaches for helping me to get where I am as a football player.

MEET THE SENIORS

GREELY CLASS OF 2025

QUARTERBACK ANDREW PADGETT

I am excited to compete for a state championship again this season with the boys. After high school, I plan on attending college down south. Outside of football, I enjoy hanging with my friends and being outdoors. Right now my favorite song is "Love" by Keyshia Cole. I'd like to thank my mom, dad, and all my coaches for helping me get to the point where I am - I couldn't have done it without them.

WIDE RECEIVER, RUNNING BACK & DEFENSIVE BACK WES PIPER

The main thing I'm the most excited for this season of football is to go out and win as much as possible and get a state championship under Greely's belt. My plans after high school are to play baseball and attend the university of Husson. Also spend time on the water fishing with buddies. My favorite song is Nine Ball by Zach Bryan. I would like to thank my parents, family, friends and of course the coaches for giving me the best football experience I could ask for.

WIDE RECEIVER JACOB RIOLO

I play football in the fall and lacrosse in the spring, and run track in the winter. I'm excited to repeat the success we had last season and to play out my last football season. I'd like to thank my coaches for teaching me the game as well as my parents and siblings for supporting and encouraging me through my years playing football.

LINEBACKER & RUNNING BACK OWEN STEWART

This season I'm excited to play on last year at Greely and hopefully go far in the playoffs. Outside of football I like to ski and be outside. I want to thank my parents for helping me get this far and my coaches and teammates for pushing me to be better.

OFFENSIVE & DEFENSIVE LINE CARTER WILSON

I'm sad that it's my last year but I know it's going to be my greatest year.

THE ANANIA AWARD

In 2023, Coach Caleb King presented the Anania Award, which is given to the player who exemplifies what it means to be a Ranger, both on and off the field, through leadership, effort, and dedication to the team and the community.

Fittingly, the inaugural award was presented to Charlie Anania in 2023. The award will be presented each year to Greely players who possess these qualities – one to a varsity player and another to a deserving player on the middle school team.

THANK YOU

Thank you, President Stewart!

The Greely Football Community would like to recognize Boosters' President, John Stewart, for his years of dedication to the program. John is quietly behind the scenes taking on an endless stream of details. Over the years, we estimate he's made hundreds of trips to Sam's Club, grilled 1,000's of burgers and dogs, rebooted the Square in the middle of a game, coordinated details with the AD, and showed up for everything. His leadership and commitment to Greely Football has been vital to the growth of our program. With more than 240 participants from K - high school, John will leave the Boosters (if he actually leaves) stronger than ever!

THANKS TO THE ENTIRE GREELY FOOTBALL VOLUNTEER BOARD

John Stewart	Rusty Parlin
Steve Prescott	Mike Piper
Lisa DeSisto	George Spino
Jeff Justice	Christina Lee
