

JUNKAWAY ULTRAFAST LLC

COMMERCIAL CARDBOARD RECYCLING PICKUP AGREEMENT

Weekly Cardboard Recycling Collection • Phoenix Metro Area

602-715-5927 | info@junkawayultrafast.com

1. PARTIES

This Commercial Cardboard Recycling Pickup Agreement ("Agreement") is entered into between JUNKAWAY ULTRAFAST LLC ("JunkAway," "Service Provider," or "Provider") and the commercial customer identified below ("Customer"). The parties agree that the Provider will furnish recurring cardboard recycling pickup and bin service under the terms of this Agreement.

SERVICE PROVIDER	JUNKAWAY ULTRAFAST LLC
Business Address	5712 N 67th Ave., Glendale, AZ 85301
Phone	602-715-5927
Email	info@junkawayultrafast.com
CUSTOMER / BUSINESS NAME	
AUTHORIZED CONTACT

PHONE / EMAIL	
BILLING ADDRESS (IF DIFFERENT)	

2. SERVICE

JUNKAWAY ULTRAFAST LLC will provide scheduled commercial cardboard recycling pickup service for businesses, including restaurants, automotive shops, furniture stores, retail businesses, warehouses, and similar commercial operations.

Service includes delivery/use of the agreed recycling bin(s), recurring collection on the selected schedule, transportation of accepted cardboard, and recycling or lawful disposition of collected material. The standard service is one pickup per week unless a different frequency is selected in this Agreement or added later in writing.

3. SERVICE SELECTION

NUMBER OF BINS	☐ 1 Standard Bin ☐ 2 Bins ☐ 3 Bins ☐ Other: _____
PICKUP FREQUENCY	☐ Once Weekly (1×) ☐ Twice Weekly (2×) ☐ Three Times Weekly (3×)
SERVICE START DATE	_____
REGULAR PICKUP DAY(S)	_____
PREFERRED PICKUP WINDOW	_____

4. SIMPLE, TRANSPARENT PRICING

The following rates apply unless the parties agree to a different written rate or service modification:

SERVICE	RATE	DESCRIPTION
First Bin • Once Weekly	\$263/week	Includes 1 standard recycling cart
Each Additional Bin	\$89/bin/week	Additional bin service
Each Extra Pickup Day	\$263/day	Added for each pickup day beyond once weekly

Extra-day example: One standard bin picked up twice per week is \$263/week for the first weekly service plus \$263 for the additional pickup day, for an estimated \$526/week before any additional-bin charges. Three pickup days per week add \$526 for the two extra pickup days, for an estimated \$789/week for one bin.

Weekly formula: Base bin service + additional-bin charges + \$263 for each pickup day beyond the first weekly pickup.

5. DEPOSIT AND PAYMENT TERMS

A first-week deposit of **\$263.00** is required upon signing and before recurring service begins. The deposit is applied to the first week of service.

Payment schedule: ☒ Same-Day ☐ Net 7 ☐ Other written terms: _____

Unless otherwise agreed in writing, invoices are due according to the payment option selected above. Customer is responsible for timely payment of all undisputed charges, including approved additional bins, additional pickup days, and other agreed services.

No hidden fees are intended under the standard pricing shown in this Agreement. Any additional service or charge outside the stated pricing must be communicated to and approved by the Customer before being added, except where required by law or where the charge results from a Customer-requested change.

6. BIN PROVIDED / BIN OWNERSHIP

The standard recycling bin is provided to Customer at no separate upfront bin-rental charge as part of the recurring service. Unless otherwise stated in a written addendum, the bin remains the property of JUNKAWAY ULTRAFAST LLC. Customer receives a limited right to use the bin for the term of active service.

Customer shall keep the bin at the agreed service location, use reasonable care, and make it reasonably accessible on scheduled pickup days. Customer shall not sell, transfer, permanently relocate, alter, paint, drill, or otherwise modify the bin without Provider's written permission.

7. ACCEPTED MATERIALS & CONTAMINATION

The service is intended primarily for clean, dry, corrugated cardboard and similar recyclable cardboard. Customer should flatten cardboard when practical and place it inside the designated bin.

Do not place liquids, food waste, garbage, hazardous materials, chemicals, batteries, electronics, medical waste, sharp hazardous objects, construction materials, or other non-cardboard materials into the recycling bin unless Provider has expressly approved them in writing.

If a load contains substantial contamination or material that cannot be accepted by the recycling facility, Provider may document the condition and, where reasonably necessary, decline the material, remove only acceptable material, or charge an agreed additional handling/disposal fee. Provider will communicate material additional charges before incurring them whenever practicable.

8. ACCESS & CUSTOMER RESPONSIBILITIES

Customer is responsible for providing safe, legal, and reasonably unobstructed access to the bin and pickup area. Customer shall keep the area clear enough for safe collection and shall advise Provider of gates, access codes, loading restrictions, construction activity, or other conditions that may affect pickup.

Customer is responsible for ensuring that the bin is not overloaded beyond its rated capacity and that material is not placed in a manner that creates a safety hazard or prevents safe pickup.

9. SERVICE SCHEDULE, MISSED PICKUPS & EXTRA REQUESTS

Provider will use reasonable efforts to maintain the agreed recurring schedule. Pickup dates or times may occasionally change due to weather, traffic, vehicle issues, facility closures, holidays, or other circumstances outside Provider's reasonable control.

Customer-requested extra pickup days are billed at the stated extra-pickup rate unless a different written rate is agreed. Customer should request extra pickups as early as reasonably possible.

10. CANCELLATION

Customer may cancel recurring service at any time by providing at least **SEVEN (7) DAYS' WRITTEN NOTICE** to JUNKAWAY ULTRAFAST LLC. "Written notice" may be provided by email or another written method accepted by Provider.

Service continues through the applicable notice period, and Customer remains responsible for charges for service actually scheduled or provided during that period. Any prepaid amount will be handled according to the parties' written agreement and applicable law.

Provider may suspend or terminate service for nonpayment, unsafe conditions, misuse of the bin, prohibited materials, repeated access problems, or other material breach, subject to applicable law.

11. SERVICE AREA & COMMERCIAL USE

This Agreement is for commercial cardboard recycling pickup. The Customer shall use the service only for the business and service address identified in this Agreement unless Provider approves another location in writing.

12. LIABILITY, DAMAGE & INSURANCE

Each party is responsible for its own acts and omissions to the extent provided by applicable law. Provider will use reasonable care in transporting and handling accepted recyclable materials. Customer is responsible for damage to Provider's bin caused by misuse, unauthorized modification, fire, theft, or other damage beyond ordinary wear and tear, to the extent permitted by law.

Nothing in this Agreement is intended to waive or limit any right, remedy, duty, or liability that cannot legally be waived or limited.

13. CHANGES TO SERVICE

Changes to bin quantity, pickup frequency, service location, pricing, or other material terms may be made by written agreement between the parties. Updated service selections or written change orders may be attached to and become part of this Agreement.

14. GOVERNING LAW & ENTIRE AGREEMENT

This Agreement shall be governed by the laws of the State of Arizona. The parties will first attempt in good faith to resolve disputes through direct communication. If a dispute cannot be resolved informally, either party may pursue remedies available under Arizona law.

This Agreement and any signed written addenda or service changes constitute the complete agreement concerning the recurring cardboard recycling service and supersede prior understandings concerning the same service.

15. BIN SPECIFICATIONS — STANDARD CART

The standard commercial cart shown below is the reference bin intended for the service. The actual cart supplied may be the same model, color, or a substantially equivalent commercial recycling cart if availability requires a substitution.

BLUE STANDARD CART (PRIMARY) BLACK CART (REFERENCE)

16. INCLUDED CART SPECIFICATIONS
