LET THE FEAST BEGIN!

Conquering Homelessness through Employment in Food Services

CHEFS is a culinary training program that provides the technical and professional instruction necessary for entry into the food service industry. Students, many of whom are formerly homeless or extremely low-income, are provided classroom instruction and in-kitchen hands-on training to support them in re-entering the workforce.

The program offers opportunities to earn a weekly stipend while gaining job readiness skills. Students earn their Food Handlers Certification and spend 12 weeks learning their craft with the final goal of securing permanent employment.

Every meal helps someone re-enter the workforce.

CHEFS is an Employment Social Enterprise operated by Episcopal Community Services of San Francisco. ECS has provided essential services to individuals and families experiencing homelessness in San Francisco since 1983, utilizing a holistic approach that addresses the multiple causes leading to homelessness.

The profits from catering services and contributions from individual donors support the students and the CHEFS program.

We look forward to serving you!
