Our Club Staff.....17

Dear Valued Supporters,

On behalf of the Boys & Girls Clubs of Carlsbad’s dedicated Board Members, it is with great pleasure and enthusiasm that we present the Boys & Girls Clubs of Carlsbad’s 2024 Annual Report. As you peruse these pages, we invite you to journey with us through the heart of our mission and the legacy of service we continue to uphold.

Did you know that our doors opened their welcoming embrace in the same year that the City of Carlsbad was incorporated? Since 1952, we have stood as a steadfast pillar in our community’s social safety net. We take immense pride in the impact our Club has had on countless young lives, ensuring that no child or family is ever turned away due to financial constraints.

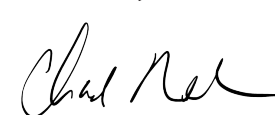

Time and time again, we hear from our members and their families that the Club is much more than just an after-school program; it becomes a “second home.”

We continue to raise almost half of our budget through events, donations, and community sponsors. This achievement stands as a testament to the unwavering generosity of our donors, whose support fuels our mission and transforms our vision into reality. Together, we are community-supported, and together, we make a difference.

We invite you to learn more about the Boys & Girls Clubs of Carlsbad by exploring this Annual Report, visiting our website (www.bgccarlsbad.org), and stopping in for a personal tour of our Clubhouses.

The best of us starts with YOU, and we thank you for your support. We are immensely grateful for your dedication, passion, and commitment to our cause.

Sincerely,

Chad Nelson

WHAT IS A BOYS & GIRLS CLUB?

The mission of the Boys & Girls Clubs of Carlsbad is to inspire our community's young people to BE GREAT by offering educational, enriching, and fun experiences in a safe environment.

Our guiding values drive everything we do; we believe in safety, respect, leadership, teamwork, inclusion, and FUN! Our Clubhouses provide youngsters with a safe location for exploration and transformative experiences. Each child is given the opportunity to develop to their fullest potential in inspiring and engaging ways.

We offer youth a place to call their own, and have an open-door policy. With an annual membership fee of only \$50 per year, no child is ever turned away due to inability to pay.

WHAT MAKES A BOYS & GIRLS CLUBS UNIQUE?

- ❖ *Members are given the freedom to make their own choices of what activities they'd like to participate in, gaining independence and self-confidence in the process.*
- ❖ *Trained youth development professionals provide positive role models and mentorship. Volunteers provide key supplementary support.*
- ❖ *The Club has an open-door policy, and is available every day after school and most school holidays when kids have free time and need positive, productive outlets.*
- ❖ *The Club is facilities-based—an actual neighborhood building designed solely for youth programs and activities—and satisfies the age-old desire for kids to have a place to truly call their own.*

History and Overview

Since its establishment in 1952, the Club has been a steadfast beacon for over 100,000 youths, coinciding with the founding year of the City of Carlsbad as the Carlsbad Boys Club. Evolving with time, the Club’s original location on Roosevelt Street in the Village has undergone five significant renovations, with the latest completed in 1999. In 1982, recognizing the need to extend its reach, a second facility emerged in La Costa, housed within a double-wide trailer, catering to the southern sector of the city.

In a pivotal move towards inclusivity and progress, the Club transitioned to the Boys & Girls Clubs of Carlsbad in 1994, pioneering the inclusion of females in its daily programming nationwide. The evolution continued in 2011 with the inauguration of a cutting-edge Clubhouse nestled in the heart of Carlsbad at Bressi Ranch, replacing the La Costa trailer. Embracing the changing landscape of education and community, the Club introduced teen programs on the campuses of both Carlsbad and Sage Creek High Schools in 2015, affirming its commitment to meeting the needs of the youth it serves.

Our legacy is not just a testament to our past, but a promise for the future. We stand ready to support, guide, inspire, and positively impact the young minds entrusted to our care.

Our Staff Members Are The Best

Across both clubhouses, we’re fortunate to have 23 staff members who have roots in our club, having grown up here and now dedicating their work to it. This serves as a powerful testament to how our club nurtures future leaders, instilling in them a sense of giving back. Their profound understanding of our mission enables them to impart invaluable wisdom to the youth, guiding them through both challenging and prosperous times. Their expertise, honed over years within our club, consistently elevates them as our finest staff members.

- ❖ *“Going to the Boys & Girls Club really helped me come out of my shell as a child, and brought out the leader in me through my adolescence.”*
- ❖ *“The BGCC allowed me to have a home base amidst the chaos of moving 8 times as a child. I found my people and it was the first place I felt accepted by my peers. Being a staff member has given me the gift of teaching and encouraging the kids to be themselves here, as I wouldn’t be me without the club.”*
- ❖ *“The most defining moments in my childhood came from field trips, relationships, games, and encounters I enjoyed at the clubhouse growing up, and I am proud to share that enthusiasm, knowledge, experience, and joy with the kids there today.”*
- ❖ *“In elementary school, I was struggling with being socially uncomfortable. That is, until the staff there helped make the club feel like home. Beyond being proud to share my experience, I am honored to continue learning at the club, and growing alongside its programs.”*
- ❖ *“Ten years later, the club is where I learn the most about compassion, empathy, sharing, and the importance of kindness. There is probably no place I love more than the BGCC, and I hope that I leave our members with the same enthusiasm and appreciation that I have for it.”*
- ❖ *“Being a kid at the Boys and Girls Club was extremely memorable and exciting. I can proudly say working there now presents me with the same excitement as a kid.”*
- ❖ *“I played my first basketball game as a 6-year-old at the BGCC. The club was a continuous and positive presence in my life throughout my childhood and led to my sports success. Now, it’s a privilege to pay it forward.”*

Total Expenses \$ 3,796,776

Change in Net Assets \$ 717,355

* Above figures are audited.

The Boys & Girls Clubs of Carlsbad Board of Directors and Club Staff have all worked tirelessly to raise the level of performance. Here are just a few highlights from the past year.

- Club**
- ❖ *Late Nights at the Club* ~ This year, we hosted six Late Night events, each drawing an average of 70 enthusiastic kids. From extended games and activities to team-building fun, these nights gave members a chance to experience the Club in a whole new way—while parents enjoyed a well-deserved evening off.
 - ❖ *Halloween in the Village* ~ Our annual “Halloween in the Village” carnival was bigger than ever, welcoming over 400 children from the Carlsbad community. The night was filled with festive costumes, carnival games, prizes, food, and plenty of spooky fun, creating lasting memories for families.
 - ❖ *Garden Club with Rancho Carlsbad* ~ In partnership with Rancho Carlsbad, members rolled up their sleeves in the Garden Club to learn the joys of growing their own fruits and vegetables. Through hands-on lessons in planting, tending, and harvesting, kids gained a deeper appreciation for healthy eating and the environment.
 - ❖ *Holiday Giving* ~ Every child at our Club received a special holiday gift this Christmas thanks to the generosity of our community. In addition, we adopted 75 families, providing them with full holiday gift support and spreading warmth and joy during the season of giving.
 - ❖ *Mother’s Day Celebration* ~ With generous support from the Carlsbad Women’s Foundation, members crafted and gifted over 200 potted succulents as heartfelt Mother’s Day presents for their families. The activity encouraged creativity and allowed kids to show their appreciation in a meaningful way.
 - ❖ *Field Trips Galore!* ~ This year was packed with unforgettable adventures—over 100 field trips throughout the year gave our members opportunities to explore and learn beyond the walls of the Club. Highlights included the San Diego Safari Park, deep-sea fishing excursions, Thermo Fisher science tours, and thrilling days at Belmont Park.
 - ❖ *Thanksgiving Feast* ~ We continued our tradition of gratitude by serving a full Thanksgiving meal to over 400 children, complete with all the trimmings. In addition, we donated 25 complete Thanksgiving dinners to families in need, ensuring that everyone in our community could celebrate the holiday with joy.

- Athletics**
- ❖ *Spring YBL Success* ~ Our Spring Youth Basketball League season was a slam dunk! With packed gyms, high-energy games, and growing skill development, players across both Clubhouses had an incredible experience on the court.
 - ❖ *New Sports, New Opportunities* ~ This year, we proudly introduced exciting new sports to our middle school programs, including pickleball, surf, and boys’ and girls’ flag football. These additions opened doors for even more kids to find their passion, build teamwork, and stay active.
 - ❖ *Sunday Basketball Clinics* ~ Our free basketball clinics remain a community favorite. With four sessions tailored by age and skill level, both beginners and advanced players are refining fundamentals, growing their love for the game, and taking their play to new heights.
 - ❖ *March Madness Tradition* ~ Our annual March Madness tournament once again brought together the vibrant energy of Carlsbad’s 5th graders, filling the gyms with spirit, teamwork, and unforgettable memories!

- Administration**
- ❖ *Inaugural Pickleball Tournament* ~ In May 2024, we proudly hosted our first-ever Pickleball Tournament at the Tennis & Pickleball Club of Vista. The event brought together community members, supporters, and pickleball enthusiasts for a day filled with fun, friendly competition, and philanthropy. With divisions for men’s, women’s, and mixed doubles, the tournament welcomed players of all skill levels. Beyond the excitement on the courts, the event raised vital funds for the Club while creating a new tradition that highlights the spirit of community, wellness, and giving back.
 - ❖ *The Club’s Five Major Fundraising Events* ~ pickleball tournament, golf tournament, beach bocce ball championship, gala, and poker tournament –netted over \$800,000 and engaged thousands of community supporters during the Club’s 2023-24 fiscal year.
