

Wantok E-Commerce

We offer online shopping solution for Papua New Guineans who face challenges with online shopping due to unreliable addresses. We provide you with Australian address, making it easier for you to shop online. You can use our address to receive your purchases, and we will then collect and send them to you in PNG in a timely and cost-effective manner.

To shop online, you'll need a valid Visa card with sufficient funds for each transaction. When you use our address, all your orders are delivered to us, where we will safely store them before sending them to Port Moresby.

How We Handle Your Package: If you have a friend or family member traveling through Brisbane, you can arrange for them to carry your items. This is often the most affordable and efficient option. We can deliver your package to them at the airport on their departure date. If no one is traveling, we can ship your items via Sea and Air freight. In this case, you'll need to cover the shipping costs.

Shopping Options in Australia: Australia offers many options for online shopping, including "Click & Collect" services, which allow you to shop online and pick up your items at the store. To collect your items, you'll need to use our contact details, as we will pick up items on your behalf.

The recommend shops should be near my address for easy pickup. The closest shopping centre to me is Northlakes Shopping Centre, where most of the collection takes place. Some stores offering Click & Collect services include:

- **K-Mart** (clothing, shoes, bags)
- **Target** (clothing, shoes)
- **Big W** (clothing, shoes)
- **Best & Less** (clothing, shoes)
- **Rivers** (ladies' shoes, clothing)
- **Coles** (groceries)
- **Woolworths** (groceries)
- **Chemist Warehouse** (health care, perfumes)
- **JB Hi-Fi** (electronics)
- **RM Williams** (apparel)

If you want to shop at these stores, get in touch with me for my details. I'll need to present my ID to pick up your items.
