### **Payment Policy**

Losing someone you love is devastating and can be traumatic. It can seriously impact one's judgement. We believe in the importance of the recognition and meaningful celebration of a life that has been lived and will assist in arranging an appropriate service to meet your individual needs. It is also important to be realistic with funeral expenditures. Provisions for payment are due at the time of arrangements. To avoid any misunderstanding or embarrassment and for your convenience, we accept the following methods of payment: cash, check, credit or debit card, insurance assignment of verifiable life insurance\*, payment by forwarding or receiving funeral home, or pre-paid funeral plan. Please consult with your funeral director with all questions or concerns.

\* Proceeds from one or more insurance policies can be assigned to the funeral home in an amount sufficient to satisfy the cost of the services. In addition, our funeral home utilizes a third-party finance company, Express Funeral Funding® to assume responsibility and acceptance of your policy or policies for verification, processing and funding for the services and merchandise selected. Express Funeral Funding® assesses a fee equivalent to 5% of your total contract price, for individual life insurance policies and a floating percentage for group life insurance policy, to be paid to Express Funeral Funding® through the benefit amount of the policy. We are unable to accept any policy that is in its contestable period. A contestable period is usually two years from the date the policy goes into force. We are unable to accept any insurance policy that is deemed non-assignable by the company underwriting the policy.

### **Pre-Planning Assistance**

We provide free assistance with pre-planning. You have the option of locking in today's prices and funding your funeral plan, relieving your loved ones from these difficult decisions.
