DECLARACIÓN DEL OBISPO BARRON: Me he enterado de que agentes de ICE operan en Rochester y sus alrededores. Dadas las circunstancias de los últimos días en Minneapolis, esto es obviamente motivo de preocupación para muchos en nuestras comunidades inmigrantes. Me gustaría reiterar lo que dijimos mis hermanos obispos de Minnesota y yo hace un año. Apoyamos plenamente el derecho de nuestro país a defender sus fronteras y a hacer cumplir sus leyes de inmigración, pero insistimos en que cualquier acción policial en este sentido se realice de forma discriminada y humana, respetando siempre la dignidad de los afectados. Y nos oponemos firmemente a cualquier iniciativa que implique la interrupción de los servicios religiosos, pues esto supondría una violación del principio de libertad religiosa. Reitero las palabras del arzobispo Hebda de que, en aras de la paz, quienes están en todas las partes de este tema polémico deberían reducir la intensidad de su retórica y entablar una conversación civilizada. Por último, animo a todos mis pastores, especialmente a los de la zona de Rochester, a estar especialmente atentos a los temores de su pueblo y a asegurarles la solidaridad de la Iglesia con ellos.

STATEMENT FROM BISHOP BARRON: It has come to my attention that ICE agents are operating in Rochester and environs. Given the events of the last several days in Minneapolis, this is obviously of concern to many in our immigrant communities. I would like to reiterate what my brother Minnesota bishops and I said a year ago. We fully support our country's right to defend its borders and to enforce its immigration laws, but we insist that any police action in this regard be done discriminately and humanely, always respecting the dignity of those affected. And we stand strongly against any initiative that would involve the interruption of church services, for this would amount to a violation of the principle of religious liberty. I echo the words of Archbishop Hebda that, in the interest of peace, those on all sides of this contentious issue should lower the intensity of their rhetoric and engage in civil conversation. Finally, I encourage all of my pastors, especially those in the Rochester area, to be particularly attentive to the fears of their people and to assure them of the Church's solidarity with them.
