Important Information: All gymnasts are expected to attend all competitions for their division. Please notify the Rett ASAP if for some reason this is not possible-withdrawal paperwork must be filled out and submitted to SSGA for the entire season by October 1, 2025. To avoid confusion, email or verbal notifications will not be accepted, just the appropriate form. Forms can be sent to office@southshoregymnasticsacademy.com.

The meet schedule is subject to change. Assessment Payments are paid to SSGA by credit card on the due date. Gymnast's accounts MUST be up to date with SSGA in order to attend competitions. Any unpaid accounts (either tuition or assessments) will result in gymnasts being scratched from competitions without refund. Please familiarize yourself with scratch deadlines as well as SSGA's scratch refund policies as no fees can be refunded after scratch deadlines have passed.

Any gymnast who leaves the team before the end of their required season will not receive any scratch refunds or any other refund-regardless of circumstances. Any apparel, tuition or assessments that have been paid are non-refundable. Parents and Gymnasts are also required to read & understand the Team Handbook, acknowledging that both understand SSGA's policies regarding competitions. Families must agree to SSGA's policies online 2x year (Summer and Fall) in order to be eligible to participate in the team program and attend competitions.

Meet details (specific days/times) will come out as soon as it is posted or reported to SSGA. Parents can certainly check online for updates and meet information, however, parents are not to call the host gym for information. Hosting a competition is a huge undertaking, and a gym is not equipped to take phone calls from 600+ parents. SSGA will take the responsibility of collecting information & dispersing it for you via email. Thank you for your cooperation & understanding.
