*Fall Team Schedule starts Aug 25, 2025. The team is off from Aug 29-Sept 4. The team will return to the regular schedule Sept. 5. This closure (and other scheduled closures) are already factored into your yearly tuition. The cost for the year is then broken down into convenient monthly payments.*

**ALL DP Level 3-10 PRICES INCLUDE A WEEKLY BALLET CLASS**

## **SSGA Teams-Important Information**     *SSGA does not offer make-up classes for any of our team programs.*

**Tuition:** Team tuition is collected monthly and is due on or before the 25th day of the previous month. (If the 25<sup>th</sup> of the month falls on a holiday or weekend, tuition will be charged on the prior business day.) All team families are required to provide SSGA with updated credit card information to keep on file to participate in the team program. All tuition payments must be made by credit card.

\*If your card is declined for any reason, the auto pay discount is not given for that month. Each family will receive one declined transaction without additional penalty as a courtesy each gymnastics season, however the autopay discount is not honored when your payment is declined. After the 1<sup>st</sup> no penalty decline, each declined card transaction will be charged a \$10.00 decline fee each time (we run the declined cards in 48 hour intervals) and the auto bill discount will also be removed for that month. Declined/late payments will also be charged a \$25.00 late fee if tuition has not been paid by the 1<sup>st</sup> of the month. Please let our office know if you are having any credit card issues before we run tuition and we will do our best to work with you until your issue is resolved.

\*Gymnasts with unpaid accounts will be ineligible for practices after the 1st of the month, as well as being scratched from competitions without refund until all accounts are paid in full.

**Discounts:** Families that agree to our credit card policies online are eligible for our monthly autopay discount. The autopay discount is \$10.00 off your total tuition per month, and you must follow the policies associated with our autopay program. Customers are required to log into their online account and accept our policies twice each year (during Fall and Summer Registration) to receive the autopay discount. (Payments declined for any reason are not eligible for discounts.) There is also a 10% sibling discount off the lower monthly tuition for teams. If the transaction is declined, then the sibling discount is also not applied for that month. Accounts must be in good standing to receive any discounts.

**Expected Commitment:** The WDP Team (Level 2-10) commitment is year-round. All SSGA Training Teams, Xcel, STARS and Pre-Teams are expected to commit from September-June. New Xcel Team members must train 1 day/week in the summer before their 1<sup>st</sup> competitive season. SSGA STARS, Training Team, existing Xcel Team and Pre-Team do not have to train in the summer, but it is highly encouraged. The WDP program commitment is a full schedule for both the school year and the summer.

**NEW:** We have added a 2 day per week training schedule for Xcel Gold and Platinum. Please note that this is a set schedule and we are unable to offer any switches between programs (i.e. going back and forth between 2 and 3 day programs), practice day changes or make ups.

\*There are no discounts, pro-rates or credits for missed practices due to camps, vacations, weather cancellations, illness, injury, mandated government closures or closures due to the need to disinfect the gym or quarantine during a public health crisis. Your tuition is based on the school year cost for participation in our team program and then divided into equal monthly payments. If a student decides to leave the team during their expected committed period-they must give a **written 30-day notice** to SSGA and tuition will be collected in full for the 30 days/month after they leave the team. We will not accept any team withdrawals without payment for the months of December-June. Team tuition is required to be paid in full through the month of June, regardless of attendance. Note: Gymnasts with unpaid accounts or those that choose not to participate in the full year of the team program are not eligible to participate in the banquet.

### **Additional Fees for All SSGA Team Members: Annual Membership Fee to SSGA for Teams:**

The Annual Non-Refundable Membership Fee to SSGA for Training Team, Pre-Teams, Xcel, STARS and WDP Teams is charged to your credit card on file and is due when enrolling for fall (\$75.00 per individual). Athletes must re-register each year and pay these dues to SSGA by September 1st of each year.

**All info below does not apply to Pre-Team or Training Team.**

**Competition Info:** There will be no refunds of any tuition, missed competitions or scratch monies returned if a student leaves the team before the end of the season. Families that leave before the end of the season will also be required to reimburse SSGA for any lost competition fee (scratch) monies we have lost & cannot get back when quitting mid-season. We will also collect full tuition through the month of June, whether you attend practices or not. Tuitions are based on 48 weeks of classes and then divided equally into monthly installments, so if you are leaving the team early, the entire gym and program are affected as your monthly breakdown cost for a partial year would have been higher. **There will be no exceptions to this policy for any reason.** If competitions are canceled for any reason, we will refund any money that we get back from the competitions. (If a competition will not refund us, we cannot refund you.)

WDP, Xcel and Jr. STARS Athletes must be members of USAG Gymnastics and that membership is now to be completed by parents for the athlete in July. USAG Membership costs differ for each competitive level/division and are set by USAG. SSGA Jr. STARS will also be members of USAG and that registration will be available in the fall.

### **Competition Apparel:**

**All Team Members** are required to purchase the necessary competition apparel for their team. We usually get new leotards every year, and new warm ups/bags every 2-3 years. We will be sizing athletes in August (September for STARS) and orders and payments are due at the time of sizing; all apparel must be pre-paid and is non-refundable (Even if you leave the team program after the apparel is ordered.)

### **Competition Assessments**

Team members are required to pay for all competition fees, coaching fees and expenses. Assessment fees can be paid in full or broken into installments. Payments are made by your credit card on file in August, September, October and November for WDP and Xcel. The SSGA STARS assessment payments are due in September, October and November. Final Competition Schedules will be available in the fall. Assessment fees are in addition to monthly tuition fees and must be paid in order to be eligible to compete.

### **All WDP Teams, Xcel Teams and SSGA STARS Competition assessments are payable to SSGA by credit card on file only.**

All accounts (monthly tuition and assessment fees) with SSGA must be kept up to date. Gymnasts will be restricted from practices and/ or scratched from competitions without notice or refund if accounts are not up to date. These policies will be outlined further in the team handbook. Please familiarize yourself with SSGA's scratch/meet withdrawal policies (posted at the front desk, as well as in the team handbook) as meet fees are not refundable for any reason after certain dates (scratch deadlines).
