It is now time to register for summer camp. The church will cover 80% of the cost for camps that are approved. If you are interested, please contact the church office.

As summer approaches and many of us look forward to upcoming vacations, it is important to remember the ongoing needs of our church. Even while we are away or experiencing changes in our routines, the church continues its work and relies on the generosity of its congregation. Please consider maintaining your regular giving to support the church's mission and activities during this season.
