Who are we?

Amelia Island Montessori School (AIMS) is an independent, non-profit school in Fernandina Beach, Florida, offering a private education true to the original Maria Montessori philosophy. Founded in 1973, AIMS sits on a beautiful wooded campus within walking distance to the Atlantic Ocean. We are the only school in Nassau County to earn the prestigious Florida Council of Independent Schools accreditation, and are accredited by the American Montessori Society. We welcome children from 18 months to 12 years of age. AIMS is a place where children love learning and learn the skills that will prepare them for life – where they benefit from an individualized curriculum, caring faculty, and a method of education that has influenced innovators and thinkers for more than a century.
