

Liberty Ridge Ledger

Liberty Ridge Senior Living Community

April 2024

Welcome Stephen, Patty & Charlie Boyce...

Their life started in Indianapolis together where they also grew up. Then to graduate high school and leave for college to Wisconsin. They both successfully received their degrees in education, both specializing in math as well. After college, they were married. Stephen and Patty then moved to Berea, KY to work for Berea College. Stephen taught math and Patty taught special education and math. Berea is where they stayed for over 50 years while raising 3 children, 1 girl and 2 boys and later were blessed with 3 grandsons. Also, making many wonderful and very close friends. After they retired from teaching, Patty took up knitting, a hobby she grew to love for years. She also volunteered as a book keeper. And Stephen enjoyed the great outdoors, especially cutting wood and staying busy volunteering for Kentucky of Commonwealth. Later to make the big move to Lexington, KY. Last but not least, Stephen and Patty share a love for dogs, not just any though, they adopt rescues. Their previous fur-baby lived to be 16 years old. Now they enjoy the pure and unconditional love from their boy Charlie. So if you see Charlie, give him a little scratch, he's the cute and friendly boy you may pass in the halls.

Help us welcome our newest resident, Oletta Dutton! Oletta grew up on a farm in Russel County. After high school, she married and joined her husband during his deployment in Germany. She stayed for a year, then to return back to Russel Co. After her husband returned, they both attended local Kentucky Universities receiving their credits/degrees. Tony took a job offer with IBM in Texas. And they also started a farm there. Later returning to Kentucky to work for IBM/LexMark and to start a family of 3 kids, 2 boys, 1 girl and blessed with 9 grandchildren. Oletta and Tony were happily married for 30 years, raising their family and to enjoy their home. Oletta is a talented pianist. She taught music professionally and has experience in banking and was a office manager for a local orthodontist. She also found a passion for sewing and crocheting too. Lets all give Oletta a warm welcome when we see her out and about in the community.

Welcome Paul Bogardus! Paul moved into the Garden homes back in February. He is a native to KY. He grew up and graduated HS in Pikeville. Paul attended the University of KY and graduated with a degree in Forestry. After college he married and had 2 children, a boy and a girl. He worked in the forestry field for 2 years in Louisiana. Then to join the Navy in 1966 for 3 years. After he left the service, he joined his father to help run his coal testing business as the asst. manager for 15 years. Paul then moved to Ashland and became a silent partner in a liquor store business for 25 years. As the silent partner, this gave Paul an opportunity to travel and to take up sailing in Oriental NC. He did that for 25 years. Retiring at 46 years young, he did some investing too. Paul moved to Lexington to be near family. He currently enjoys walking, gardening and barbequing on the smoker.

FUN FACTS FOR APRIL:

- * It is the second month of spring and a time of planting and spring cleaning
- * It is named after the Greek goddess of love, Aphrodite, or the Latin word "aperire" meaning "to open"
- * The birthstone for April is the diamond, which symbolizes innocence
- * The April zodiac signs are Aries and Taurus
- * April is National Poetry Month
- * April 1st is celebrated as April Fools' Day
- * The Boston Marathon and the professional baseball season are held during April

Did you know... "April 1st is One Cent Day, which has borne Abraham Lincoln's face since 1909, and costs the U.S Mint 2 cents to make. If you fall victim to some kind of "penny glued to the floor" trick today, just remember that it's that coins day to shine"

Please Join Us For...
