

Announcement for ALL Juniors:

On Wednesday Oct 21, 2026 , beginning at 8:15 AM, we will be administering the ASVAB exam to all Juniors. This test is the Armed Services Vocational Aptitude Battery.

>

- This test includes all the same subjects that are found on the ACT exam, (Math, Science, English, & Reading) as well as additional career focussed questions. The ASVAB is a great preparatory exam to the ACT which you will take during the 2nd Semester.
- The ASVAB will provide you with great information about careers and skill strengths that best match you, based on your own test score. In other words, this test is a great career exploration resource available to you.
- Often, students and parents are concerned that the ASVAB is used for military recruiting purposes only, this is not true. Though each student can provide their scores to recruiters should they CHOOSE to do so, scores will NOT be provided to any military branches unless you choose to release your scores to them.

This exam is a great opportunity to learn more about potential careers that fit your personal strengths and skillsets, as well as a great way to prepare for the ACT exam next semester.

If you have any questions or concerns, please feel free to reach out to your counselor for more information.

Thanks and GO HAWKS!
