

THE ULTIMATE LEADERSHIP EXPERIENCE

Mission: To promote personal growth and leadership development through Family and Consumer Sciences education.

- Family, Career and Community Leaders of America (FCCLA) is a nonprofit national Career and Technical Student Organization (CTSO) for young men and women in Family and Consumer Sciences education, in public and private school grades 6-12.
- Since 1945, FCCLA members have been making a difference in their families, careers, and communities by addressing important personal, work and societal issues through Family and Consumer Sciences education.
- Involvement in FCCLA offers members the opportunity to expand their leadership potential and develop the skills for life-planning, goal setting, problem solving, decision making, and interpersonal communication necessary in the home and workplace.
- FCCLA chapter projects focus on a variety of youth concerns, including teen pregnancy, parenting, family relationships, substance abuse, peer pressure, the environment, nutrition and fitness, teen violence, and career exploration.

"FCCLA has helped me grow as a leader and connect with students across Utah. From chapter president to Utah FCCLA's first vice president, I've seen the effort and care we give to supporting every chapter and school. It's inspiring to be a part of an organization that truly values service and the role of the family in our community."

GOALS

Utah FCCLA Chapter Goals 2025-2026:

1. Complete the FACTS program and submit application to national FCCLA.
2. Team up with another CTSO at your school to host a leadership activity.
3. Use the STAR Event Promote and Publicize FCCLA to plan an activity to educate students about the benefits of FCCLA.
4. Plan Socktober fundraising and awareness activities.

SERVICE

Utah FCCLA is on a mission to bring comfort to children in foster care through a statewide sock drive. In partnership with We Help Two, Utah FCCLA's goal is to sell 2,500 packs of socks, which will allow Utah FCCLA to donate 1,250 pairs to foster children across Utah! Chapters are encouraged to get creative with sock-themed fundraisers—whether it's a school sock drive, a lively sock hop, or a "Socktober" event.

TEACHING

As FCCLA members complete service projects within their school and community, and as they participate in competitive events, they demonstrate their ability to teach members of their families, schools, and communities. "I love being around these kids. They have so much energy and a love for learning. I want to continue in my pursuit of an education in teaching," said Kristen.
