

FUTURE HEALTH PROFESSIONALS

Mission: To enhance the delivery of compassionate, quality healthcare by providing opportunities for knowledge, skills, and leadership development of all Health Science education students, thereby helping the student meet the needs of the healthcare community.

- HOSA–Future Health Professionals is the student leadership organization for Health Science Education. Founded in 1976, HOSA brought together students, teachers, and healthcare industry leaders to create an organization that is exclusively committed to healthcare.
- Since 1976, over 2.7 million members have benefitted from the mission of HOSA and the dedication of HOSA advisors. HOSA is the only CTSO with 36 years of continuous membership growth (COVID year excluded).
- Today, HOSA–Future Health Professionals remains committed to making a positive difference in the lives of students by developing their potential for premiere leadership, personal growth, community service, academic scholarships, and unique internships.

Utah	3,670	110

"HOSA has changed my perspective on healthcare, community service, and leadership for the better! Students like me can learn about different aspects of health science and pave a path to our futures. Whether it's through learning how to suture or competing in medical terminology, HOSA exposes students to potential future careers in an engaging environment. By leading statewide service initiatives, members are motivated through HOSA to take an active role in their communities. HOSA is an amazing opportunity for growth, learning, and experience."

Evealla, HOSA Vice President

In Utah, CTSOs align with the national CTE Career Clusters® and 32 CTE Career Pathways.

HOSA members participate in many activities to gain experiences to help them develop life skills, leadership, and technical knowledge related to health science and healthcare skills.

GOALS

Utah HOSA Goals for 2025-2026:

1. Sixty percent of chapter officers to attend one of the four statewide leadership development opportunities.
2. Chapters complete a combined total of 10,000 documented hours of community service.
3. Connect members to at least 15 healthcare industry partners through internships, mentorships, and vendor conferences.

SERVICE

HOSA encourages Health Science students to provide community service through the adoption of goals and implementation of strategies related to the support of a national healthcare organization. HOSA has partnered with the National Marrow Donor Program (NMDP).

TEACHING

HOSA brings relevance to the classroom through industry-based competitive events, HOSA Leadership University, and community service.

Utah HOSA members are engaged in a wide range of curricula (from foundation courses to specialty courses such as Emergency Medical Technician, Medical Forensics, and Biotechnology).
