# The new fruit collection

Pavoni Italia amplia la propria collezione di stampi in silicone con una nuova linea dedicata alla frutta in versione tridimensionale. Dalla mandorla al pistacchio fino all'esotico dattero, ogni stampo è progettato per realizzare dessert in mono o mini porzioni dal forte impatto visivo e dal sorprendente realismo. Una gamma pensata per la pasticceria contemporanea che completa la proposta di stampi tridimensionali dedicati alla frutta, offrendo ai professionisti nuovi strumenti per trasformare ogni creazione in un piccolo capolavoro.

Pavoni Italia expands its silicone mold collection with a new line dedicated to three-dimensional fruit shapes. From almond to pistachio, all the way to the exotic date, each mold is designed to create mono or mini portion desserts with striking visual impact and remarkable realism. A range created for contemporary pastry that completes the brand's selection of 3D fruit molds, giving professionals new tools to transform every dessert into a small masterpiece.
