AUGUST

Health Center Week, Reflections

August 3rd- August 7th is National Health Center Week. What is a health center you may ask? Health Centers by definition are “local, non-profit clinic that provides comprehensive primary, dental, and mental health care to everyone, regardless of their insurance status or ability to pay”. This is a big week for clinics like ours, it gives us time to reflect on how we turned into a health center, our goals and maintaining our commitment to our mission “To deliver compassionate, patient-centered, and team-based healthcare that upholds excellence in quality and service - ensuring access for all, regardless of barriers or circumstance”. To all of our patients, thank you for helping us be who we are, and being apart of the Amity family!

Amity X AVANT BACK TO SCHOOL EVENT

WE WANT TO SEE YOU THERE!

This month, we are excited to once again serve as sponsors of Charlotte Pride, where you can find us at the festival on August 15th and in the parade on August 16th. We are also looking forward to our Back to School event in partnership with Avant, which will include free sports physicals, vaccines, a bouncy house, arts and crafts, giveaways, free food, and more. If you or someone you know is interested in a health screening or vaccine, please text "Backtoschool" to our secure line at 743-800-2015. We cannot wait to see you there and continue serving our community together. We wanted to include this information again, to ensure visibility! We hope to see you there!

FOOD PANTRY DONATIONS STILL NEEDED!

We currently have food pantry's in three of our clinics, Monroe, Harris and Dallas. If you have any canned foods or non perishable food items, you can make a donation directly to our clinics by dropping your items off at any of our pantry locations!
