NOVEMBER

Giving Thanks for Patients and Staff

This November, we're taking a moment to express our gratitude for the patients we serve and the incredible staff who make our mission possible.

To our patients: Thank you for trusting us with your healthcare. You are at the heart of everything we do and inspire us every day to continue finding new and innovative ways to make quality healthcare accessible to everyone. Your trust and support motivate us to grow, improve, and serve our communities with compassion.

To our staff: Thank you for the dedication, compassion, and hard work you bring each day. Your commitment to our patients and our mission is what makes the care we provide possible. From the front desk to our clinical teams and everyone in between, each of you plays an essential role in making a difference in the lives of those we serve.

At Amity Medical Group, our mission is more than providing healthcare. it's about building relationships, supporting our communities, and ensuring everyone has access to the care they deserve.

This season, and every season, we are grateful for the people who make that mission possible. Thank you for being part of the Amity family!

October in review:

Building Connections in Our Community
Last month, Amity Medical Group had the pleasure of connecting with our community through two exciting outreach events and our third Consumer Advisory Board (CAB) meeting!
Our Bridge for Kids Fall Festival
We enjoyed participating in the Our Bridge for Kids Fall Festival, where we connected with families from around the world. Our team shared valuable information about Amity's healthcare services while learning more about Charlotte's diverse cultures and the wonderful families who make our community unique.
NWSA Career Fair
We also attended the NWSA Career Fair, where we connected with students interested in pursuing careers in the medical field. We loved having the opportunity to share information about healthcare and engage with the next generation of healthcare professionals!
Our Third Consumer Advisory Board Meeting
We were excited to host our third Consumer Advisory Board meeting, bringing together patients to share their experiences, ideas, and feedback on how we can continue to improve Amity. Our patients' voices are essential to helping us grow and ensuring we provide accessible, patient-centered care.
A heartfelt thank-you to everyone who participated in these events and helped make them a success! We're grateful for the opportunity to connect, learn, and grow alongside our community.
Interested in joining our Consumer Advisory Board?
We'd love to hear from you! If you're interested in sharing your perspective and helping shape the future of care at Amity Medical Group, please reach out to mclark@amitymed.org.
Together, we can continue making a difference in our community!

Upcoming Events

NOVEMBER 5TH - WOODFORD APARTMENTS RESOURCE FAIR

NOVEMBER 14TH - RAIN GAY BINGO

FOOD PANTRY DONATIONS STILL NEEDED!

We currently have food pantry's in three of our clinics, Monroe, Harris and Dallas. If you have any canned foods or non perishable food items, you can make a donation directly to our clinics by dropping your items off at any of our pantry locations!
