August: A Month Full of Activity!

August has been an incredibly busy month for us, particularly in terms of outreach efforts! We took part in Charlotte Pride and hosted our annual back-to-school event in collaboration with our partners at Avant.

We thoroughly enjoyed celebrating community and access to care at Charlotte Pride, and had an equally fantastic time at our back-to-school event, where we provided:

- 30 free sports physicals for students
- Vaccinations for 17 students** by the Health Department
- 75 book bags distributed
- 150 books handed out
- Over 120 free meals served
- All school supplies given to children and families in our community

Overall, it was a wonderful month filled with joy and support for those we serve!

Our Pride Float theme this year was “love is the best medicine”, our goal was to shower the community with love this Pride!

Going into Flu and Cold Season..

Come on into Amity and get your flu vaccine! Getting vaccinated is one of the best ways to protect yourself and those around you during flu season. You can also help prevent the spread of germs by washing your hands regularly, covering coughs and sneezes, avoiding touching your face, staying home when you are sick, and cleaning frequently touched surfaces. A few simple steps can help keep our community healthy!
