MONTHLY NEWSLETTER

MARCH

Is it time for your
annual wellness visit?

It may be time to schedule your Medicare Annual Wellness Visit! This yearly visit is an important opportunity to focus on prevention, review your overall health, update screenings, assess risk factors, and create or adjust a personalized plan to help you stay healthy all year long. Even if you're feeling well, your annual wellness visit helps us catch potential concerns early and ensure you're receiving all the preventive services available to you through Medicare. Keep an eye on your mailbox, you may be receiving a postcard from us soon as a friendly reminder to schedule your appointment.

And here's some exciting news when you come in for your Medicare Annual Wellness Visit, you'll receive a special Amity Wellness Bag as a thank-you for prioritizing your health! We look forward to seeing you soon and partnering with you on your wellness journey.

SPONSORSHIPS

Last month, we were proud to sponsor several major community events for the upcoming year, including Charlotte Pride, the RAIN AIDS Walk, Gay Bingo, the AIDS Day Luncheon, and the MeckMin Interfaith Community Awards Breakfast. Supporting these impactful events reflects our continued commitment to advocacy, inclusion, and strengthening the health and well-being of the communities we serve. We are honored to stand alongside our community partners and look forward to another meaningful year of engagement and support.

In February, our team was proud to attend the African American Heritage Festival, where this year's theme, Red, White, and Blue, honored the powerful contributions of African American military members and service professionals. We had a wonderful day connecting with the community, sharing meaningful conversations, and reflecting on the legacy of service and sacrifice. Several of our clinical team members and staff joined us to speak with community members about our healthcare services and answer questions. It was truly a beautiful day filled with reflection, connection, and community pride.
