PRAYERS TO LEARN -

THE MEMORARE

REMEMBER, O MOST GRACIOUS VIRGIN MARY,
THAT NEVER WAS IT KNOWN
THAT ANYONE WHO FLED TO THY PROTECTION,
IMplored THY HELP,
OR SOUGHT THY INTERCESSION,
WAS LEFT UNAIDED.
INSPIRED BY THIS CONFIDENCE
I FLY UNTO THEE, O VIRGIN OF VIRGINS,
MY MOTHER,
TO THEE DO I COME,
BEFORE THEE I STAND,
SINFUL AND SORROWFUL,
O MOTHER OF THE WORD INCARNATE,
DESPISE NOT MY PETITIONS,
BUT IN THY MERCY HEAR AND ANSWER ME.
AMEN.

Message of the Week

Bulletin Reflection for the 5th Sunday In Ordinary Time_Cycle A

In Sunday's Gospel, Jesus defines the role of the Christian in the world by two words: salt and light. Jesus says, you are the salt of the earth. You are the light of the world!

Jesus uses salt and light, two simple but very effective examples to make His point. It's difficult for us today to understand how critically essential salt was to the ancient world. It was a food preservative that was valued as highly as money.

But for a moment let's think of salt as Gordon Ramsey, Rachel Ray, Giada, or Lidia would think of it. Salt enhances flavor; it makes something that is already good taste even better. It brings out the best. And that's what Jesus emphasized. We are to become people who bring a whole new taste to the world we live in. We are to "*God Flavor*" it. We are to create a new kind of zest, a new appetite, a new craving.

Besides being salt, Jesus tells us that we are Light. What does light do? It illuminates; it warms; it lifts spirits. Without light we stumble, we bump into each other, and we can end up in unsafe places where we do not belong. But light makes all things visible. It helps us to follow the safer path; it helps us to see danger and allows us to avoid it. As light we are called to show the way.

What are we to do? First, salt must be different from food before it can be of use. If salt loses its taste, then it is useless and can no longer make a difference. Light must be different from darkness to be of help. A flashlight with dead batteries is no good for someone in the dark. So being salt and light of the world means being different from the world. If believers have nothing that distinguishes them from unbelievers, then they are like salt that has lost its saltiness and therefore cannot make a difference. And what distinguishes us from non-believers is the love and concern we have for each other.

Secondly, both salt and light operate by associating with the thing that they want to change. Salt cannot improve the food unless it goes into the food and changes it from within. Light cannot show the way unless it encounters darkness. Sometimes Christians think that it's better to avoid any association with popular culture. But by shying away from the realities of our society, and our world, we might indeed be hiding our lamp under the bushel basket. To make a difference we must get up and get involved.

It is our duty as Christians to make the world a better place. Through our baptism, we are called to become people who dispel the darkness that we find around us. We are called to become a new kind of spotlight that helps others see the truth. And when we do, that new life force, that new taste, that new "*God flavor*" becomes contagious.

A great question to ask yourself is, "where is there darkness in my world?" Who do I know that is suffering physically, emotionally, spiritually? Who do I know that is good but can be even better? How can I be salt and light for that person?

God bless you today and always as you add spice and light to those around you.
