

OUR HOMETOWN — PLAINFIELD, NH

NH  PBS
OUR HOMETOWN

Behind the Scenes!

Rebecca Rule and Schuyler Scribner are coming back to share stories from their time in Plainfield! The full program will air in November.

NHPBS's award-winning Our Hometown series came to Plainfield because they knew we had unique stories to tell — and they heard plenty!

We had a record number of interviewees — and we could have had plenty more!

See some of the clips, the out-takes, what they thought about Plainfield's stories — and get a peek at some of the highlights before the final program airs in November!
