

NEUE NATIONALGALERIE

Obligatory Event Guidelines

Information about the planning of events
in the Neue Nationalgalerie

The Museum

Built in 1968 to plans by Ludwig Mies van der Rohe, the Neue Nationalgalerie now houses 20th- century European painting and sculpture from Classical Modernism to the art of the 1960s. Furthermore, the museum building is used as a special exhibition space, “Das MoMA in Berlin” (2004) being one of the most remembered exhibitions.

We ask you to respect the dignity of the art objects, to observe the conservatory requirements and not to change the character of the exhibition rooms.

The Neue Nationalgalerie is open to the public Tuesday to Sunday from 10 am until 6 pm, Thursday from 10 am until 8 pm. Events can only be prepared and set up after the closing time of the museum. The disassembly or the removal of foreign objects must take place in the same night.

The Neue Nationalgalerie is part of the Staatliche Museen zu Berlin (henceforth referred to as SMB) and one of the institutions of the National Gallery.

The Planning

1. The date of the event can only be confirmed after the museum executives have given their confirmation. Events can take place on the closure day of the museum (Monday). Events on other days are only possible on rare occasions and with prior agreement.
2. Any accompanying programme (which goes beyond a pure dinner/reception situation) requires individual approval by the Museum&Location Veranstaltungsgesellschaft der Staatlichen Museen zu Berlin mbH (hereinafter M&L) and the Neue Nationalgalerie. We reserve the right of veto if the planned programme conflicts with the content of the museum (for example, no concerts, dance performances, award ceremonies, design-related events, etc. are permitted).
3. Events with political background and content require the approval of the Directorate-General of the SMB. In this case, all made agreements are subject to their approval.
4. Advertising and product presentations are not permitted.
5. A prerequisite for holding an event is a final inspection with the organiser / client, the caterer, M&L and the representatives of the Neue Nationalgalerie and the property management / technical department / security department, as well as a timely conclusion of a contract (latest 10 days before the event).

6. During the final inspection at the latest, we ask you for the announcement by name of a skilled German-speaking person with decision-making power in charge of the event (also stating the mobile number). For the entire duration of the event – including set-up and dismantling – this person takes responsibility for the compliance with the present event guidelines and the coordinated schedule of the event as well as all agreements concerning the fire safety regulations. The person in charge of the event must be always on site and available during the event and during set-up and dismantling.
7. The organiser must prove an event organiser's liability insurance to M&L no later than one day before the event is set up. The organiser is fully liable for damages of any kind. If the organiser's liability insurance is not proven in good time, admission to the museum may be refused. In addition, we recommend that you obtain proof of liability insurance from each of your externally commissioned trades.
8. All rented areas are museal spaces of the SMB, which are regularly inspected and maintained by museum staff. Damages are reported to the directors daily and to M&L after each event. The event area will be taken by you as seen; a mutual inspection report is possible on request.
9. Until 7 days prior to the event, the host of the event is obliged to show Museum&Location a special permission according to §11 LImSchG Berlin or an exception permission according to §10 LImSchG Berlin, if the event in the outside areas exceeds the allowable loudness level after 10.00 pm. This permission must be organised by the host of the event, itself and on his own expense.
10. Invitation cards for the event must be checked and released by M&L before you may send them to your guests.

The Event

1. A schedule of the event including set-up and dismantling must be provided at the latest 10 days before the event.
2. The required security and sanitary staff will be determined by the SMB. The order of the security and cleaning staff is made directly by M&L at the security and cleaning companies contracted by SMB.
3. The event as well as the set-up and dismantling can only take place if, according to the selected usage variant, a sufficient number of security guards under the management of a security service provider and fire safety guards in accordance with the fire safety regulations and the fire protection certificate for event use are present.
4. Events with 200 or more guests are subject to the "Versammlungsstättenrecht des Landes Berlin" (venue regulations of the state Berlin) and have to be planned, authorized and approved accordingly. The event organiser bears all costs for the acceptance of the planned seating, the verification of the B1-certificates of all set-ups as well as the approval of the event by a fire protection officer on the implementation date.
5. For events of 200 people or more, the organiser is obliged to book paramedic services for the entire duration of the event. This booking must be made by the organiser himself and at his own expense.
6. Information material of the Neue Nationalgalerie can be supplied.
7. Guided tours of the collection are available in different languages (German/English/French). These tours can be offered by employees or paid staff and are to be paid for by fees.
8. Musical performances and the like are possible by arrangement with M&L. In order to protect the works of art in the adjacent collections, music must not cause any disturbance in these areas (e. g. bass, percussion, electronic music).
9. Dressing rooms for artists or other additional rooms are not available.
10. Smoking is strictly prohibited in the whole building.

11. All people involved in the event must wear an identity card, badge or the like in a visible place during assembly and dismantling and during the event. A sample is to be submitted at least two days before the event.

The Set-up and Dismantling

1. Set constructions are only possible when permission is granted and in restricted dimension.
2. All safety devices, escape routes and exits relevant to building law shall remain fully functional and shall not be restricted by additional installations.
3. The exhibition areas at Neue Nationalgalerie are subject to special requirements, which are pointed out by the museum's representatives during the joint site inspection. This applies to both the lighting and the possible construction of furniture and appliances. Care must be taken to ensure that touching or bumping collection objects is absolutely excluded.
4. As a matter of principle, the use of technical apparatus, material, etc. may not lead to any change in the usual climatic conditions of the exhibition.
5. There is no special furniture available for events. The event organiser must therefore provide everything necessary. Seating, podium and/or sound technology are not available.
6. Information and communication technology (connection and/or devices) cannot be provided.
7. B1-certificates must be shown for all installations (prints, rear walls, floor coverings, stage, presentation displays, etc.). Excluded from this is only mobile furniture (stand tables, chairs, tables, lounge furniture).
8. Chairs, tables and other furniture including musical instruments, which have been brought into the museum, must be fitted with felt padding to protect the flooring. Masking and fastening electric cables etc. are only allowed when solvent-free and residue-free adhesive tape (so-called masking tape or painters' tape) is used.
9. The organiser / client must install and dismantle all furniture and seating. In doing so, the minimum distance to works of art is 1.50 m for chairs, technical equipment, and lighting fixtures.
10. Delivery for the interior - also by the caterer - takes place via the guard of the Neue Nationalgalerie (access via Reichpietschufer or Sigismundstraße). Deliveries to the outdoor terrace take place via the ramp (Potsdamer Straße / Reichpietschufer) and via the stairs at Sigismund Straße. The protection of the mosaic patch in the outdoor area must be considered during delivery. It is not suitable for use with vehicles.

The Catering

1. The caterer is not permitted to cook in the museum or to use an open flame, barbecue grill, fuel paste or candles.
2. In the (upper and lower) foyer areas there is no restriction on the choice of food and beverages. The prerequisite for this is the obligatory provision of a "sweep team" by the caterer, which removes possible stains within 30 seconds. Any special cleaning of the surfaces necessary after the event will be ordered by M&L at the expense of the organiser.
3. Buffets are not allowed.
4. Electricity and water may be provided on a conditional basis.

The Costs

When the event is held, costs are calculated for use (user fee), supervisors, cleaning staff, and if necessary, tour guides, fire protection inspection and technical staff. The prices are subject to VAT. The calculation of costs (other than user fees) depends on the size and duration of an event and can only be done when a detailed schedule for your event is submitted.
