Acknowledgement of the Land

As we gather here today, let us take a moment to acknowledge the land upon which we stand

and the Indigenous Peoples who have stewarded this land from beyond memory.

We recognize their care and offer respect and gratitude to: the Anishinaabe (the Chippewas on the Thames First Nation are Anishinaabe), the Haudenosaunee (the Oneida Nation of the Thames are Haudenosaunee), the Huron (currently not in this area), and the Lenape Peoples (the Delaware Nation at Moraviantown and the Munsee-Delaware Nation are both Lenape). All these people lived lightly and with respect upon this land, a territory upon which we now live.

Loving God, help us on the journey to reconciliation with the land, the water, and the air, and among the peoples. Today, we reaffirm our commitment of living into right relations with all.

Safe and Respectful Environments Policy 2025

The Ministry and Personnel team have reviewed Dunwich United policies:

- Violence and Harassment Policy (2013) and
- Policy for Handling Concerns Raised within Dunwich Pastoral Charge (2016) along with
- the recently published Creating Safe and Respectful Environments policy by the United Church.

The updated Safe and Respectful Environments Policy was approved by Dunwich United Church Council at the last meeting and is posted on the bulletin board.

This includes the handling of complaints and/or concerns which are to be submitted to Ministry and Personnel Chair, Minister, or Chair of Council, in writing and signed.

Our newly revised prayer cards are now available. If you would like Rev. Larry and the congregation to pray for someone, please fill in a card and leave it in the offering plate. It will be passed to Rev. Larry.
