Acknowledgement of the Land

I acknowledge that the territory that Dunwich United Church is on and which the Antler River Watershed Region covers is in the traditional territory of many Indigenous Nations, is the current home of four sovereign Nations, and I list them now by

their community names: Chippewas of the Thames First Nation, Delaware Nation at Moraviantown, Munsee-Delaware Nation, and Oneida Nation of the Thames.

They continue to be sovereign Nations and thrive with their own unique languages, cultures, and ceremonies. I recognize that it is my responsibility to learn and unlearn about the shared history and values I have with Indigenous peoples, and I commit to contribute toward Truth and Reconciliation by working together respectfully to build positive communities for all.

Guided by the Word of God, the life of Jesus, and the power of the Holy Spirit, I am committed to the principle of putting our land acknowledgements into concrete actions and grow a just and fair future for everyone.
