Three friends – a surgeon, an engineer, and a politician – were discussing which of their professions was the oldest.

The surgeon said: “Eve was created from Adam’s rib – a surgical procedure.”

The engineer replied: “Before Adam and Eve were created, order was created out of chaos, and that was an engineering job.”

The politician said: “Yes, but who do you suppose created the chaos?”

Acknowledgement of the Land

Prepared by Rev. Emma Seamone

As we prepare for worship, take a moment to think of where you are. Acknowledge to yourself where and with whom you live. Think about the relationship you do or do not have with the land, the people, the treaties. Think about what your responsibilities are to the land, the people, and the treaties. How will you honour that, today, and every day?
