show pride and respect for my Club. I will also make sure that everyone knows how amazing it is to be a part of a great environment, the Boys & Girls Club of Troy."

Jacob has been a member of the Boys & Girls Club for four years. He has volunteered in a number of roles throughout the Club, most notably in leadership roles and hands on learning experiences through the Junior Staff program. He has also been involved in a number of clubs and activities in high school, mentioning the Chess Club has been one of his favorites. Jacob also works in the Preschool at Troy Athens High School, gaining valuable life skills. He says that his favorite memory at the Club has been working with one young member who was having a particularly difficult time settling in to club activities each day. Jacob remembers sitting down with that member, listening to them, giving them time to decompress from their day at school, and then assisting them integrate into activities. Jacob now watches with pride as that young member now jumps into programs on their own and is having a great time at the Club. He plans to follow his interests in Business at Calvin University.

Each year, thousands of Club teens participate in local, state and regional Youth of the Year events. Six teens, including five regional winners and a national military youth winner, advance to Washington, D.C., for the National Youth of the Year Gala & Celebration Dinner, where one outstanding young person is named Boys & Girls Clubs of America's national teen spokesperson.
