Virtues

Each week our children will look at another virtue and try to incorporate them into their everyday living. Last week was Accountability...

October 19th: Trust is having faith in someone or something. It is a positive attitude about life. You are confident that the right thing will happen without trying to control it or make it happen. Even when difficult things happen, trust helps us to find the gift or lesson in it.

Introducing the 45th Moderator of The United Church of Canada

[The Right Rev. Dr. Kimberly Heath](#), 45th Moderator of the United Church of Canada, shares her call for Deep Spirituality, Bold Discipleship, and Daring Justice in a time of rapid change and deep uncertainty.

In this [video message](#), the 45th Moderator of The United Church of Canada introduces herself as a minister of 26 years, a follower of Jesus, and a leader committed to meeting the challenges of the world and the church today.

Moderator Heath finds strength in learning to trust the river of God's lifegiving, transforming love, which she has seen ripple through communities and out into the world. Her promise is to be deeply rooted in faith, bold in following Jesus, and daring in standing with courage in places of injustice.

Grateful for God's loving action,
we cannot keep from singing.
