

April Newsletter 3.5-year-old classes

Happy Spring to all our families! We'll learn about the signs of spring and have our spring parties the day before we leave for break. [Our Spring break is April 3-10.](#)

Upon our return, we will continue our Spring theme and begin to take a look at some of the wonderful literature of favorite author and illustrator Eric Carle. The unit will begin with a video of Mr. Rogers meeting Eric Carle and exploring how he creates his illustrations. Did you know Eric Carle painted tissue paper using various painting tools?

The children will have an opportunity to paint and design tissue paper to create art too! Please ensure you read our "What we did today" postings, so you know what our story, art, and activities will be for the day. We are sure there will be some favorites that the children will recognize!

Our literature unit with Eric Carle will be throughout the month and extend into May, as we will utilize much of his literature for our exciting insect unit.

Thank you,

Mrs. Doyle/Mrs. Walsh and Mrs. Buccino/Mrs. Houlihan
