

DECEMBER NEWSLETTER

What a magical and fun time of the year! There is so much hustle and bustle in the 4 year old classes! We are learning, creating, exploring and singing all about the holiday season that is upon us.

December and the Holiday Season brings so much to explore with our Five Senses Unit. We will see, hear, smell, taste, and touch all of the things that are happening around us during this busy season.

We will listen to holiday stories and learn about holiday traditions (starting with the lighting of the Holiday Tree in Rockefeller Center). The 4 year old classes will be creating beautiful seasonal art and learning new (and not so new!) songs that we will sing at our Holiday Party. (Last day before Winter Break)

Finally we will begin working on a special Holiday gift for our families.

With Warm Wishes for a Happy Holiday!

Mrs. Grosso & Mrs. Rogers

Mrs. Fazio & Mrs. Michael
