

St. Peter's Nursery School

December 2025

Weather permitting, the children will continue to play outside. Please send your child to school with hats and mittens each day. The temperature and wind chill needs to be 32 degrees or higher for us to go outside.

Please label all items; hats, mittens, jackets etc.

In the event of inclement weather, we may have school closings, delayed openings or early dismissals. Notification will be given through our phone blast system and on our social media pages. A test call was completed on Friday, November 21st at approximately 12:30 pm. Please contact stpeterssessexfellsns@gmail.com if you did not receive the call. The school receives a report from the company that indicates whether a live person answered the phone or if it went to voicemail. We would be happy to add an additional phone number to the blast to ensure you are notified.

Please remember to schedule your child's flu vaccine in the upcoming weeks. We must have a record of their vaccine prior to December 31st.

The tuition schedule for the remainder of the year is:

Invoice sent November 1st Due December 1st

Invoice sent February 1st Due March 1st
