

### 3.5 February Newsletter

Love is in the air as our children prepare for Valentine's Day! The children will be introduced to the post office via literature, house corner, and (weather permitting) walking to the local mailbox. Be sure to check your mailbox for a special delivery!

Valentine literature, songs, and fingerplays will be part of this month of love and friendship. We will have special snacks to celebrate Valentine's Day. Our children will have an opportunity to deliver their valentines to each of their friends. To allow our children to have independence in their valentine delivery, please do not put the names of their classmates on the cards.

As we near the end of February we will begin our **Balloon Unit**. We will explore how balloons are made and enhance our learning with wonderful literature, art and science experiments.

We will also be celebrating our dads or special loved ones on the following dates:

Mrs. Buccino, Mrs. Houlihan 3.5 class 2/26

Mrs. Walsh, Mrs Doyle 3.5 class 2/27

More details to follow.

(Celebration with moms/special loved ones will be in May)

Reminder: School closed February 16, 17

Wishing you a Happy Valentine's Day!

Mrs. Walsh & Mrs. Doyle

Mrs. Buccino & Mrs. Houlihan
