

Happy New Year to all of our families!! January is an exciting time in pre-k as we begin to focus on winter and all of the wonders that come with the season.

As we begin a new year, we will review the 12 months. Letters will be reviewed and focus on a few new ones. Last names will be introduced and used for check in, recognition and writing practice. Be sure to ask your child about our "WOW" word of the week- the fun continues.

Imaginations will be used by the children to create a winter jacket, snowman and snow globes. As our month progresses, we will focus on the science of winter, snowflakes, hibernation, migration and adaptation. The end of the month will bring us to ice experiments and painting with ice cubes!

Let's not forget our Groundhog Day fun! Will he see his shadow? Let's make predictions! Shadows and reflections will be discussed.

Happy Winter to all!!!

Mrs. Grasso    Mrs. Michael    Mrs. Cavallo

Mrs. Rogers    Mrs. Fazio    Mrs. Sangillo
