

St. Peter's Nursery School
January 2026

Welcome back! We hope everyone enjoyed the Holiday Break!

Registration is currently open to outside families. We still have a few spots available in our 3's classes. Please inform interested family and friends to contact the school (stpeterssexsellsns@gmail.com) and set up an appointment to tour the school.

Our Celebrate with Santa event was such a tremendous success! It was wonderful to be able to have such a sweet event for the children. Thank you to all the Board members and volunteers who made this experience so magical.

Screenings and observations for Occupational Therapy will take place this Thursday, January 8th and Monday, January 12th during their scheduled class time. For those who are receiving a one-on-one screening, it may be advantageous to discuss with your child that this special experience is coming up.

Weather permitting, we will continue to play outside. If the temperature and wind chill are above 32 degrees, we will go outside. Please send in mittens and hats each day. We can set up equipment in the gym for an inside playtime if necessary.

School closings due to inclement weather will be announced by phone. School closings will also be announced on our Facebook Page.

We are very excited to have Fathers or special loved ones join us during our celebrations at the end of February. We are limiting it to one guest per child. Please be on the lookout for a special message from the teachers.
