3-Year-Old Classes

This month we will learn some of our favorite Nursery Rhymes. We will read many of the classics, including Hey Diddle Diddle, Hickory Dickory Dock, The Itsy Bitsy Spider and Humpty Dumpty. We will have fun using props and wearing costumes to act out the Nursery Rhymes and make some special projects to go along with the rhymes. We will also use the rhymes to learn more about shapes, numbers, letters and colors!

We will celebrate St. Patrick's Day and begin to prepare for Spring. One of our science activities during March will be planting Shamrocks. Also, on Saturday March 21st we will have our Grandparents pizza lunch! Our classes will have activities, crafts and songs centered around preparing for this special day!

Finally, we will have our parent teacher conferences where we will have a chance to reflect on each student's growth so far this year. Conferences are scheduled for March 25th and 26th. We will not have class on the day of our conferences.
