

November is a very special time in Pre K! We begin with the story Leafman and explore the science of leaves.

Then we start our Lenape study. We will explore how and where the Lenape lived, their traditions, and how they navigated living in the wilderness of young New Jersey. We end the study with a trip to the Environmental Center on the Thursday before Thanksgiving.

We finish up November with the word thankful. Each family will be asked to fill out a Thankful Page. We will read the pages as a class before our Thanksgiving break.

Conferences are coming up this month! We will not have class on the day of conferences. Conference dates are:

4am November 13th

4pm November 13th

4AD November 13th

We are closed November 26, 27 and 28<sup>th</sup> for Thanksgiving Break. Happy Thanksgiving!
