

Welcome back!!!

September and October are exciting months in Pre K 4! We begin with getting acquainted with our classroom. This discussion will cover the concept of friendship, the definition of a friend, and ways to develop and maintain friendships.

We then move on to apples! Our first WOW word is unique. We will begin writing the letter A. We move on to Fire Prevention week, and an actual fire truck will come to our school.

Then we become pumpkinologists and explore the season of autumn. The next two months are going to be very exciting and fun for all of us!!!
