PRINTABLE CHECKLIST

FIRST CARAVAN INSURANCE CHECKLIST

A simple pre-purchase and renewal check for touring caravan owners

INSURER / PROVIDER	POLICY NUMBER	RENEWAL DATE

Before arranging or renewing cover, make sure you can answer yes to each point:

- ☐ I have checked what my car insurance covers while towing.
- ☐ I understand whether the caravan policy is new-for-old or market-value cover.
- ☐ I have insured the caravan and fitted equipment for the correct amount.
- ☐ I have checked the separate limits for contents and awnings.
- ☐ I know the compulsory and voluntary excesses.
- ☐ I understand every security condition in the policy.
- ☐ My wheel clamp, hitch lock, alarm or tracker meets the required specification.
- ☐ I have given the insurer the correct storage address.
- ☐ I have recorded the caravan's VIN and CRiS details.
- ☐ I have checked the main exclusions and cover limits.
- ☐ I have confirmed the UK and European touring limits I need.
- ☐ I have compared the total annual cost of more than one suitable policy.
- ☐ I know how to contact the insurer and what evidence to keep if I need to claim.

KEEP YOUR RECORDS SAFE

Keep the policy, photographs, receipts, VIN, security-device details and insurer contact number together. Store a backup away from the caravan.
